Conflict Mineral Statement

To our valued customers:

Contained in the *Dodd-Frank Wall Street Reform and Consumer Protection Act* – is a section called *Disclosure of Conflict Materials in or Near the Democratic Republic of the Congo*. It pertains to a link between human rights abuses and the mining of certain minerals, specifically tantalum, tin, tungsten, and gold.

None of the tin plated products manufactured by American Wire & Cable Co. contain any mined material from the area in or near the Democratic Republic of the Congo. Therefore, all of our products are considered to be “DRC Conflict Free”.

Regards,

A handwritten signature in black ink that reads "Mark McClain". The signature is written in a cursive style with a large initial "M" and "C".
